The Department of English & Foreign Languages owns a lab and two Activity rooms, with the purpose of giving students the opportunity to improve their skills. The Lab equipped with 63 systems, an LCD screen and projector, deals with cloze tests, Error Correction, Reading Comprehension, listening and speaking activities etc. The Activity Rooms equipped with LCD Screen and projector as well as white boards, preparing them for Group Discussion, Oral Presentations, Resume writing and Mock Interviews.

The labs are brought into use on a daily basis. The faculty of English, besides dealing with the first year students also trains the Second year students for Speaking and Listening as well as for BEC- Business English Certificate from the University of Cambridge, UK.

Young India Films' CLARITY SNET LANGUAGE LAB software with English content namely Clarity English Success was purchased by AITK. The college purchased the Cambridge software that has a detailed and structured step by step learning, involving the students by using a highly pedagogical, interactive Multi-Media Content, allowing the students to learn at their own pace. It has inbuilt self-assessment/self-evaluation tools to measure the level of learning and progress. Students are trained on Grammar, Reading, Listening, Writing, Speaking and Pronunciation. Soft skills and Personality Development program has Writing Emails, Resume Writing, Team Work, Group Discussion, Communication Skills, Time Management, Body Language, Public Speaking, Interview Skills, Telephone Etiquette, Attitude, Leadership, Presentation Skills and Interpersonal Skills.

## YOGA sessions at AITK

Regular YOGA sessions are being held in the Yoga room on all working

days.

A few minutes of yoga daily can be a great way to get rid of stress, both in body and mind.

The following topics are covered in a regular yoga class.

1. Relaxation and Prayer – 5 minutes
2. Pranayama – 10 minutes
3. Asanas – 20-25 minutes
4. Relaxation – 5 minutes
5. Meditation – 5-10 minutes

Yoga poses (asanas), breathing exercises (pranayama), and meditation are a natural part of many mindfulness activities, and they work with any religion or philosophy if they are thought simply as exercises for calming and fitness.

Many publications are revealing the impact of Yoga programs on conventional risk factors on chronic diseases such as for overweight, hypertension, high blood pressure (BP), high glucose level, and high cholesterol, etc. These conditions are commonly associated with each other. Yoga has therapeutic benefits for individuals with a wide range of health conditions, and yoga is well received as a therapeutic intervention. Yoga is also useful in reducing academic and personal stress and improving exercise tolerance as it is related to cardiovascular response.

## Future Plans of the Club

Yoga Co-Ordinator is training the interested students on advanced Yoga Postures (asanas) that may be of great use to participate at National and International level Yoga Competitions and Interuniversity Yoga Competitions organized by the Indian Association of Universities (IAU):

To direct students to take up Yoga activities as a hobby. Such things will help the students to carry out research on Yoga in their free time so that they can publish the data in good journals. The students can also send their data to the Conferences, which also helps them to get their manuscript published in proceedings.

Yoga Co-Ordinator has planned to collect the data on the questionnaire to analyze the personal and academic stress, depression, and frustration levels of the students. Yoga endows us with excellence by enhancing our concentration, capability and commitment to discharge our duties in a perfect manner.

## INTERNATIONAL YOGA DAY - 21<sup>st</sup> June 2021

Yoga is a simple and effective way to energize and recharge the body and mind. International day of yoga is celebrated on June 21<sup>st</sup>, every year because it is the longest day of the year in the Northern hemisphere and has a special significance in many parts of the World. International day of yoga was declared unanimously by the United Nations General Assembly (UNGA) and the date was suggested by Indian Prime Minister Narendra Modi. It is a matter of pride for all the Indians that "Yoga" has got the recognition at the global level. We should be obliged to our ancestors for giving us such an invaluable gift. A growing body of research has provided the scientific proofs on the benefits of yoga practice on both physical and mental well-being. They also addressed the effects of yoga practice on common mental health issues such as stress management faced by college students.

### Yoga at AITK:

Yoga is essentially a lifestyle, philosophy and practice, and the higher authorities at AITK recognized the benefits of integrating the aspects of yoga into college students to help them to overcome the common issues faced by college students such as depression, anxiety, eating disorders and stress. These works are monitored by Yoga and Meditation Club along with the college level NCC and NSS wings.
