#### 1. Teaching & Learning Activities.

- All the academic departments were audited to see if documents are being maintained properly documents and are in order. The results of the audits indicate that files are in order.
- It was found that teaching learning related documents are being maintained properly in all departments.

#### a) Result Analysis of each course and semester.

 Results analyses must be carried out by all departments, and improvement plans need to give special attention to slow learners.

#### b) Attainment of COs, PSOs, Pos.

• The principal advised that the attainment of course outcomes, POs and PSOs be taken up once the examination process is completed.

#### 2. Industry Institute interaction.

- The principal instructed the placement office Mr. O. Home Keshav To look into and set up additional online internships for students in prestigious research institutions and industries.
- The principal instructed the IQAC coordinators at the department level to direct their departments to encourage students to engage in industry-focused projects as part of their final year project work in order to improve skills necessary for an industrial setting.

#### 3. Workshops/FDPs/Webinars/Conferences conducted/attended.

The IQAC Co-coordinators requested the departments to host webinars, FDPs, and other
events centered around cutting-edge technologies. Additionally, they asked faculty
members to take part in a variety of online events, including webinars, FDPs, and
workshops. All of the activities should be accurately documented by the responsible
