2.7 Student Satisfaction Survey

2.7.1 Online Student Satisfaction Survey regarding to Teaching Learning process

Student Feedback system is conducted every year to know about the student's perception about Teaching – Learning and Evaluation, which will help to upgrade the quality of process, followed in our institution.

The questionnaire covers a wide array of skills involved in the teaching process which vary from teaching skills of the teacher, specialized knowledge, effectiveness of communication, preparedness, doubt clearing skills and use of ICT, to overall approach to the educational process like provocation, interpersonal connections feedback, animatedly modifying teaching methodology to help weak students etc.,

The study is led by the Internal Quality Assurance Cell (IQAC) with help of Head of the departments. The Google form containing surveys recommended by NAAC on various properties of the teaching learning process was created and sent through mentors to all the students from their respective departments.
