5 Courses

- Construction Project Management
- Construction Scheduling
- Construction Cost Estimating and Cost Control
- Construction Finance
- The Construction Industry: The Way Forward

Apr 3, 2021

MANNURU VENKATA BHANU CHANDAR

has successfully completed the online, non-credit Specialization

Construction Management

Successful completion of the Construction Management Specialization indicates students have completed all 5 courses with topics ranging from project initiation and planning, project scheduling, construction cost estimating and cost control, and the value of money in the construction industry. Real-world examples by industry experts allowed students to receive up-to-date insights into large-scale international construction management projects.

Ibrahim Odeh, Ph.D.,
