### QUARANTINE CENTRE DURING COVID19 PANDEMIC PERIOD'

During Covid 19 pandemic, AITS Kadapa served as '**Quarantine Centre**' for five months to provide isolation for affected patients. In order to avoid spread of pandemic from affected people to others and isolate people returning from foreign countries, they were directly sent to AITS Kadapa as a part of isolation. All the facilities for accommodation were provided and full co-operation was provided by the institution to government in implementing necessary care for COVID 19 patients. As a part of social responsibility, all the sanitization activities were conducted by the institution in that critical period and service was provided.
