

# Strategic Development

## Policy Statement:

We are committed to develop and advance the college as an institution of higher learning by offering quality education through excellent infrastructure, quality teaching learning process and congenial ambience. The innate talents of students are nurtured through overall development by providing a number of curricular, co-curricular and extracurricular activities. We are also committed to implement effective and transparent appraisal system.

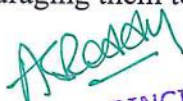

A good exposure to the students will be offered through enhanced industry-institution interaction, MOUs, expert lecturers, entrepreneurship, research and consultancy.

The institute provides conducive work environment to the faculty and staff by offering best facilities and salaries as per the UGC guidelines for knowledge update, qualification improvement, etc.

## Goals of the Institute

### Short Term Goals:-

1. Constant up gradation of syllabus to bridge gaps between learning outcomes and employability.
2. Upgrading quality of faculty and staff through extensive training in content, pedagogy, management capacity building and qualification up gradation.
3. Improving interaction with industry and alumni and involving them in a variety of institutional activities and growth.
4. Special support to weak students, focusing on ensuring equity among all categories of students and introducing the concept of Finishing School.
5. Inculcating team spirit and helping fellow students through Peer Learning Groups.
6. Improving employability of students through strong training and placement services.
7. Encouraging innovation and self-employment through entrepreneurship development and creation of incubation cell. Keeping abreast of global academic culture through collaborative activities with institutions and universities.
8. Encouraging multidisciplinary/interdisciplinary activities by introducing variety of multidisciplinary electives.
9. Offering value-added courses beyond the curriculum during off hours for students and local community Creating future faculty by introducing a system of teaching/research assistantships to PG students and encouraging them to pursue teaching.
