

EXTRA CURRICULAR ACTIVITIES

Social Service

The college has taken up the corporate social responsibility in serving the society through various social service activities involving the management, faculty members and the students. Blood donation camp drive was conducted under the supervision of Red Cross society.

OUR GOALS

- ✦ Making AITS as one of the nation's premier engineering colleges by achieving the highest order of excellence in teaching field.
- ✦ Emphasize the fields of information technology, software engineering and domain specific applications to facilitate the evolution of skills in students to help them attain a higher degree of knowledge, global competency and excellence, for the betterment of the society.
- ✦ Inculcating core competitive skills, discipline and hard work in the students and making them graduates in true sense.
- ✦ To build a track record of organizing various seminars, workshops, symposia and conferences in areas of emerging technologies.
- ✦ Adopting holistic learning to help the students to make significant contributions at all levels and to meet the expectations of stakeholders.

Join AITS

"A pioneering educational institute with the mission and zeal to impart quality education in the fields of science and technology"

**ANNAMACHARYA
INSTITUTE OF TECHNOLOGY & SCIENCES**

Approved by AICTE, New Delhi & Affiliated to JNTUA, Anantapur.
C K DINNE, KADAPA

EAMCET CODE: AITK COLLEGE CODE : HM

Courses Offered:

B.Tech

Civil Engineering (CE)
Electrical & Electronics Engineering (EEE)
Mechanical Engineering (ME)
Electronics & Communication Engineering (ECE)
Computer Science & Engineering (CSE)

M.Tech

Computer Science & Engineering
Computer Science
VLSI System Design
Structural Engineering
Electrical Power Systems
Thermal Engineering

**ANNAMACHARYA
EDUCATIONAL TRUST**

VISION

We impart futuristic technical education and instill high patterns of discipline through our dedicated staff who set global standards, making our students technologically superior and ethically strong enabling students to improve the quality of human race.

MISSION

Our mission is to educate students from local and rural areas within the state and students from other states to make them enlightened individuals improving the living standards of the society. Mission is also to provide through individual attention, world class quality of technical and management education associated with character building.

THE COLLEGE

Initiated by Annamacharya Educational Trust a philanthropic organisation. Annamacharya Institute of Technology & Sciences (AITS) was established at kadapa in a sprawling area of 25 Acres in the year 2010. AITS implies abode of innovative and technical skills which carve a niche to horn technical and scientific skills in the budding engineers and management students showcasing its enthusiasm in the national development to meet the global employability prerequisites. The institute is at the zenith of all other institutions in its standards to nurture many more technical and management students.

Every department is rich in its resources like well equipped laboratories having modern facilities, a well qualified, experienced, committed and dedicated teaching staff.

Facilities are not only adequate for the present but also advanced enough to cater to the expanding requirements of the future.

FEATURES

- ✦ Visionary and experienced management
Modern infrastructure with state of the art classroom and laboratories.
- ✦ Well qualified and experienced faculty members.
- ✦ Well furnished library
Latest audio and visual teaching equipment.
- ✦ Regular guest lectures by experts from academic and industry.
- ✦ NPTEL video lecturer classes.
- ✦ LAN and internet facilities.
- ✦ Excellent transport facility & hygienic canteen.
- ✦ Regular interaction and correspondence with parents.

- ✦ Academic advisory board of eminent academicians.
- ✦ Enormous sport facilities for the students and staff members.
- ✦ World class education for Global career.
- ✦ Ragging free campus.

Library Facility

A well furnished library with 4000 titles and 25000 volumes caters to the needs of students. A total of 75 journals both national and international along with IEEE journals are accessible to students. E Journal facility is available.

Computer Center

Every department is equipped with full fledged computer labs with more than 600 computers on total and 20 MBPS internet facility

IBM

The College is recognised as an IBM centers of excellence. The students get trained in various IBM technologies like Db2, object oriented programming using JAVA, mobile computing, rational rose and many more.

Personality development

Exclusive classes are conducted by the college for all the students of all branches of engineering students for the personality development. A number of drives were conducted by familiar persons of social eminence.

Placement Cell

Headed by a placement officer arranges training classes and interviews for students using well furnished conference rooms, power point projections and facilities for group discussions etc.

English language training classes

Rigorous training is given to students in communicative skills, report writing, project preparations, teamwork and in imparting ethical and moral responsibilities.
